**G.S.R. 127.**—In exercise of the powers conferred by the proviso to Article 309 of the Constitution, the President hereby makes the following rules regulating the recruitment to the Telegraph Engineering Service, Class I, namely:—

1. These rules may be called the Telegraph Engineering Service (Class I) Rules.

2. For the purpose of these Rules—

(a) "Government" means the Government of India.

(b) "The Commission" means the Union Public Service Commission.

(c) "The Service" means the Telegraph Engineering Service Class I, particulars in respect of which are given in Appendix IV.

3. A competitive examination for admission to the Service shall be held in India at such times and places as may be prescribed in the Notice issued by the Commission. Every such Notice will when possible announce the number of vacancies to be filled on the result of the examination.

(a) Any person may apply to be admitted as a candidate for appointment in all or any of these Services for which he is eligible. If he wishes to compete for appointment in more than one Service, he shall state in his application form which Services he wishes to compete for and the order of his preference for them, and in such case only one application form will be necessary and one payment of the fees referred to in rule 14 (and Appendix III) will be sufficient.

(b) Government shall assign successful candidates to each Service or Department on a consideration of all circumstances including any personal preference expressed by the candidate.

15. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix II to these Rules.

16. (a) After every examination the Commission shall make a list of the candidates in order of their merit as disclosed by the aggregate marks finally awarded to each candidate and in that order so many candidates up to the number of vacancies announced under rule 2 above, as are found by the Commission to be qualified by the examination and are considered by Government or the appointing authority, as the case may be, to be suitable in all other respects, shall be appointed.

(b) Appointments to vacancies to be filled by members of a particular community or communities shall be made by Government or the appointing authority as the case may be, in the order or merit of the candidates belonging to the particular community or communities provided they have qualified in the examination and are in all respects suitable for employment in the service.

Only candidates who are likely to be considered for appointment will be physically examined.

(d) If no action is taken by Government, under sub-rule (b) or (c) of this rule, the period after the prescribed period of probation shall be treated as an engagement from month to month, terminable on either side, on the expiration of one calendar month's notice in writing.
